## CONDITIONS OF SALE:

Both buyer and seller acknowledge that no representations, verbal or implied, have been made with regard to said Siberian kitten's future abilities.

Seller warrants, to the best of his or her ability that said Siberian Kitten is sound and free from disease. The buyer has the option to take the kitten, at their own expense, to a veterinarian of their choice within 10 days of purchase. If kitten is found not to be in good health, the buyer will return the kitten to the seller immediately, and the seller will either (1) replace the kitten; (2) refund the purchase price less \$50 or (3) buyer will retain the kitten and receive reimbursement for reasonable veterinary fee, not to exceed the purchase price. The adverse health report must be in writing and signed by a licensed veterinarian. These options do not apply where a health certificate issued by a veterinarian, disclosed in writing at the time of the sale, the health problem for which the buyer later seeks to return the kitten. Should kitten have a health issue related to genetic defects, due to breeding, within 5 years, shown by a health report in writing and signed by a licensed veterinarian, breeder will (1) allow buyer to retain original kitten and purchase another kitten for half price or (2) return the kitten and purchase another kitten less the cost of this kitten. If kitten were to die due to genetic defect (shown in a professional autopsy), seller will replace kitten and buyer will pay any amount exceeding the original purchase price of this kitten.

Buyer may return kitten within 2 months of purchase, for a full refund of the price of the kitten less \$50 (shipping or delivery charges are non refundable ) should the family member \_\_\_\_\_ have allergic issues with this kitten. Does not apply if N/A appears in blank.

Buyer agrees to have kitten Spayed/ Neutered before 8 mos of age. No kittens will be produced from this kitten. Should buyer default on this, Seller will be paid an additional \$500 for the breeding and no papers for registration will be issued until veterinary proof of spay/neuter is provided to seller.

Kitten will be T.I.C.A. registered with the litter. If kitten is not spayed/neutered at the time of sale, papers will be issued for registration when veterinary proof of spay/neuter is provided to the seller.

Buyer agrees not to place kitten in rescue, but to return it to the seller for placement if he is no longer able to keep the kitten.

**By signing below, buyer understands and agrees to the above, which has also been verbally explained by the seller.**
